and Sovereignty*

€ 39.90

Topics in the series include:

- Discussions on aspects of the political systems of the Balkan states, including single country case studies and comparative research
- Analysis of relevant policy fields
- Studies of the link between contemporary political issues and historical debates
- Historical debates on the Balkan states
- Analysis of aspects of the social and economic reality of the region
- Research on the evolution and development of different cultures in the region
- Societal analysis, discussions on the evolution of the different societies in the Balkan

All books in the series are published immediately in paperback, thereby ensuring their availability for a reasonable price. BPS encourages submissions of monographs and edited collections by doctoral students and first-time authors as well as senior and established academics. We also welcome contributions by policy-makers, civil society activists, and individuals who wish to inform and advance the understanding of politics, history, or culture of Southeastern Europe. Submissions should be in the range between 70,000 and 120,000 words and in English language only.

If you are interested in publishing with us or have any questions, please feel free to contact the Series Editors Dr Jelena Džankić (dzankic@gmail.com) and Dr Soeren Keil (keil.soeren@gmail.com).

We are looking forward to hearing from you!
